Monmouth Council Discuss Re-assessment

A Special Meeting of Monmouth Council was held on Monday, July 10, 1967 in the Municipal Chambers in Wilberforce to discuss the question of re-assessment.

Before this matter was taken up, several taxpayers were on hand to complain about the increase in taxes. Dr. Joy M. Ballard and Mrs. G. W. Flynn, representing Camp Brigadoon, complained bitterly about an increase of over \$300.00 in their 1967 taxes over a like increase in 1966. They stated that they had not added any buildings and that they had only seven buildings used for commercial purposes, and that the rest of the buildings were used for education; also that the buildings, mere shells, were unfinished. Dr. Ballard said that the increase in taxes this year was tending to drive away prospective cottage people, and they said that if this state of affairs continued they would have to pull down the buildings and take the camp elsewhere where they could be assured of lower taxes. Dr. Ballard also stated that the camp was charged a 25 percent business tax on an operation that was operating only two months of the year.

Mr. E. M. Sanderson also com-

plained that he has not been able to operate his farm since the highway cut his land in half.

The Assessor, Mr. Anderson, was next questioned about the re-assessment of the Township. He stated that he has already started on this, and is prepared to re-assess all property on a new basis which should equalize the assessment on all property. This should be completed by the time the 1968 Assessment Notices are mailed. Such taxes on the new basis should be in effect for 1969.

The question of the Assessor's salary was also discussed, and he was given the sum of \$600.00 for the balance of this year (December, 1967) plus \$600.00 for car allowance. He stated that work on the new assessment will necessitate many trips to Minden. The increase was passed by Council, and a By-Law passed to cover the increase.

The Council was also asked to change the election day to a Saturday, in order that the cottage people would have an opportunity to vote, and thus have a say in the affairs of the Municipality.

The meeting adjourned at 11:50 p.m.

The Township Offices will be closed on Saturday, July 22, 1967.

Letters To The Editor

Loon Lake, Ont.

The Editor,
Haliburton County Echo,

Dear Sir:
My husband and I sincerely regretted the passing of Mr. Albert Edward (Eddie) Allen. Since coming to Haliburton 15 years ago, Mr. Allen was a good neighbour and wonderful friend to us.

He was always ready to lend a helping hand whenever possible. He made us feel a part of the community and desirous of helping to make the town of Haliburton one of the foremost areas in our beautiful Highlands of Haliburton.

Sincerely,
Mrs. George Shaw.

The Editor,
Haliburton County Echo.

Dear Sir:
Permit me space in your paper to voice an honest opinion and advise the people of Stanhope Township.

It is known that our telephone system went to Dysart by a lot of here's how and persuasion, and then agreement by the majority of the people of Stanhope. When it came to our schools, it was make up your mind or we'll make it up for you. And it went to Dysart, including school capital in reserve, and we had a reserve even after our taxes were

reduced last year.

Now I'm hoping that if the Township of Stanhope puts it up to its people to get a debenture to build us some good roads, they will agree one hundred percent, for if Dysart wants to gobble us up completely at least we will have good roads. One just has to drive through Guilford to see what we'd get or could expect.

Better yet, drive up to the Guilford dump. It's forbidden to shoot the bears because it is for our tourist attraction. I don't know if there are any bears there as one can't even drive in to see. All of Dysart dumps have horse-shoe drives and the garbage is kept pushed back.

I have never seen a more flagrant treatment for one's tax dollar than Guilford is getting. However, Eagle Lake isn't much better. About four years ago when employment wasn't so plentiful, a certain road in Guilford needed brushing out badly and two able bodied men called Dysart to see if they couldn't get the job of brushing out on their own road where they paid taxes. It was brushed out alright, but the two taxpayers on that road didn't get the job.

So maybe if we go into debt in Stanhope Township the clerk won't want to gobble us up completely.

Mrs. Eliz. Nunn.

Receives Promotion

On Saturday, July 1, 1967 Mr. Ronald Elstone, son of Mr. and Mrs. Clifford Elstone of Haliburton, was promoted to the rank of Sergeant with the Nepean Township Police Department.

Ron joined the force in 1964 with the rank of Corporal, after spending nine years as a Constable with the Ontario Provincial Police.

Nepean Township, with a population of 50,000, is a part of Metropolitan Ottawa.

The Echo wishes to congratulate Ron on his promotion.

Fort Irwin Bridge Opens On Saturday

The official opening of the new Fort Irwin Bridge at Haliburton Lake will take place this Saturday, July 22 at 2:30 p.m.

Here to open the bridge will be the Hon. Geo. E. Gomme, Minister of Highways.

Platform guests will also include Mrs. Gomme, R. Glen Hodgson, M.P.P., William Scott, M.P., Roy Brohm, Reeve of the Municipality of Dysart and Warden of Haliburton County, Hon. Leslie M. Frost, Clayton W. Hodgson, Deputy Reeve Walter Hobden and Dysart Councillors James Cooper, Lloyd Coneybeare and Harold Bannon, Rev. Ron McCaw, Hugh Newton and Les Boucher.

To Celebrate 91st. Birthday

Mr. Frank R. Fisher of Cincinnati, Ohio will celebrate his 91st birthday on Friday, July 28 at the cottage of Marjorie Hollander at Kennis Lake. He has been coming back here for 11 years.

Music Results

Music students of Mr. Bill Gliddon who were successful in the recent music examinations held at Lindsay by the Royal Conservatory of Music of Toronto include Miss Debbie Bishop (Grade 2 Theory), Miss Gayle Young (Grade 8 Piano), and Mrs. Deena McNeill, who obtained first-class honours in Grade 2 Theory.

A Page From The Bookshelves

How many of our readers have passed by the new Library lately? Did you notice the stone facing is completed, the wrought iron railings have been erected and a Centennial plaque erected by the door? Better still, did you lift the latch and walk in during any of the ten hours a week when it is open?

So far, since the transfer from the old building last February, 368 members have been registered. During May the librarians gave out 1,020 books and 873 in June, which naturally tends to be a transitional month.

The children of this village are more avid readers than their parents, although obviously not so discriminating. No doubt the adults will be persuaded to even the balance before long and to take advantage of the considerable amount of good reading which may be had free. There is also a magazine rack with a good selection for diversified tastes.

Spare half an hour out of your busy schedules to come in and browse. Undoubtedly you will enjoy Haliburton's centennial project.

Minden OPP Reports

Eleven accidents were investigated by Minden O.P.P. during the week of July 9 to July 15. Six of these accidents were property damage accidents with damage estimated to be \$2,175.00, four accidents were personal injury accidents with six persons injured and \$3,800.00 damage sustained to the vehicles involved; the remaining accident was a fatal accident with one person killed and \$400.00 damage to the vehicle.

During the week 2,960 miles of provincial and county roads were patrolled, and 24 Highway Traffic Act and seven Liquor Control Act charges were laid during this period.

Again criminal investigations kept the officers of the Detachment busy with 26 such investigations being conducted as follows: Break and Enter 5, Thefts 8, Damage to Property 5, Disturbances 4, Assaults 2, Trespassing 1, Missing Persons 1. Nineteen criminal charges were laid as a result of investigations conducted during the week. Twelve messages of a compassionate nature were delivered to various persons throughout the county.

An amendment to the Highway Traffic Act which will affect

some of our older drivers and drivers suffering from serious diseases will be the point of discussion this week, and as follows: It is the duty of every legally qualified medical practitioner to report to the Registrar the name, address and diagnosis of every person coming under his diagnosis, treatment, care or charge who is suffering from a condition that in the opinion of the medical practitioner is such as to make it dangerous for such person to operate a motor vehicle. Simply this law means that a doctor MUST report any of his patients who are suffering from a serious heart ailment, arthritis or any other disease which may affect his or her driving. This puts the emphasis on your doctor, but it was felt that something had to be done to help prevent accidents where persons suffering heart attacks or whose reactions are hindered from being involved in serious and sometimes fatal accidents. So don't be too harsh with your doctor should he submit your name to the Department of Transport, because it is his duty to do this and he will be doing it for your own safety and the safety of the motoring public.

Large Crowd At Legion Carnival

The Annual Legion Carnival was held in Haliburton last night under ideal weather conditions.

Crowds lined the street to view the parade which left the Legion Hall at 7:30 p.m. and proceeded down the main street to the Cenotaph where the parade was halted for the laying of the wreath. The parade then returned up the main street and back to the Legion Hall.

The parade was headed by the Haliburton Legion Band, followed

by the members of Branch 129, Royal Canadian Legion and the Haliburton Cubs.

Following the parade the crowd headed for the Community Centre for an evening of fun and games. Two stage shows were presented on the Arena floor by a variety group from Toronto.

A dance was held in the Arena Auditorium with the music being supplied by the Canadian Suns 6 pc. Orchestra from Lindsay.

Haliburton School Of Fine Arts Announces Latest Progress

On Monday evening, July 17th the Haliburton School of Fine Arts held its second public meeting. Rev. Ronald McCaw welcomed those present and gave an outline of what has been accomplished since the first public meeting when the idea of such a school was first put forth on April 11th.

He pointed out that the organization of the School is that of a Management Committee consisting of President - Rev. McCaw, Vice President - Mrs. Elizabeth Hobden, Secretary - Miss Catherine Stewart, Treasurer - Mr. Rea Stinson and Members without portfolio - Mrs. Carole Finn, Mr. Karl Hanke, and Mr. Jan Augustejn. This committee along with Miss Mary Macaulay, Mr. Ronald Curry, Mr. Douglas Hodgson, Mr. Bill Gliddon, Mr. Joachim Gauthier, Mr. Donald Finn and Mr. Harold Oneil for the Board of Directors for the School. In addition there have been a number of citizens, and more are expected, who through their sizable financial assistance will form the very important group of Sponsors for the School. Finally there will be the members of the School who will derive certain benefits from their memberships.

Rev. McCaw then gave an outline of the three courses in landscape painting being offered this fall from September 22nd to October 1st, as well as the two week-end courses in photography at this time. The instructors for these courses will be Mr. Joachim Gauthier, O.S.A., A.R.C.A., of Toronto, Mr. Oscar Schlienger of Peterborough, and Mr. Gerald Zeldin, A.O.C.A., B.A., M.F.A., of Toronto for painting, and Mr. Cornelius Landman of Peterborough for photography.

Mr. Rea Stinson gave a brief outline of the financial status of the School at present, and then Mrs. Hobden reported on the number of returns from the questionnaires which were recent-

ly circulated. Although the number of returns has not been that great the enthusiasm of those replying has been considerable and definite interest has been shown in the fall courses with the first student already registered. It is hoped that all those who have been meaning to return their questionnaires but have not found time as yet, will do so before long.

Mr. Jan Augustejn then spoke to those present regarding the fact that the School is being incorporated as a non-profit organization and as such is in essence the property of the people of the County and they can and should assume this ownership by becoming members of the School. A successful Art School in this county could be a definite economic as well as cultural asset and thus benefit all citizens of the area, but they must support it to help success to be achieved. Membership fees have been set at \$5.00 for an individual and \$8.00 for a family. Members will be given an opportunity to vote at the annual meeting and will receive a copy of the annual report. They will also receive course registration preference and free or reduced cost admission to all evening programs held by the School during its courses.

The Management Committee also pointed out that not only is it very optimistic regarding the fall courses this year, but is looking ahead already to its courses in 1968, both summer and fall.

The meeting on Monday night closed on a very bright and encouraging note when Mrs. Barbara Dawson, on behalf of the Chamber of Commerce, very graciously presented the School with a cheque for \$100, denoting the Chamber's confidence and support in the value and future of the Haliburton School of Fine Arts.

Horse Caravan Successful At Brandon

Tired but happy, the Caravan of show horses and showmen returned home from the West last week. The Brandon Exhibition, with emphasis on the Centennial theme, was again an outstanding event.

Locally, S. G. Nesbitt of Minden won the following prizes in the Belgian Classes: 2nd, Light and Draft Team; 4th, Heavy Draft Team; 4th, Four Horse Hitch; 3rd, Six Horse Hitch; 1st, Registered Mare; 1st, Progeny of Dam; 1st and 3rd, Geld Mare; 1st, Three Year Old; Senior Champion; Grand Champion; Reserve Grand Champion.

Miss Wendy Nesbitt tried her hand at exercising some of these heavy horses, and Mrs. S. G. Nesbitt helped too in many ways by polishing harness and decorating the stalls and horses.

Reg Black of Brampton, assisted by his son Robert (a hockey player with Oshawa Generals) and friend Mark Roland, showed his Black Percheons and was successful in the following: 1st and Trophy, Four Horse Hitch; 1st, Six Horse Hitch; 1st, Light Draft Team; 2nd, Heavy Draft Team; 2nd, Cort Class; 1st, Agriculture Mare or Gelding; 1st, Draft Mare or Gelding; Trophy, Champion Gelding; 2nd and 4th, Geld Mare; 2nd, Progeny of Dam.

Reg Black's father arrived by plane to see the fair and exhibiting by his son.

Heber Downs' Clydesdales from Brooklin captured the outstanding honour of Grand Champion Six Horse Hitch of all breeds in a class of nine entries. The horses were shown by Mr. and Mrs. Warren Campbell, with prizes won in Clydesdale Classes being: 1st and Trophy, Four Horse Hitch; 1st and Trophy, Six Horse Hitch; 1st, Light Draft Team; 1st and 2nd, Heavy Draft Team; 2nd and 3rd, Agriculture Mare or Gelding; Trophy, Grand Champion Gelding; Grand Champion of all breeds for team.

Karen, 15, daughter of Mr. and Mrs. Warren Campbell, won 4th prize in showmanship.

Keith and Joyce Hobden of Brooklin, showing Belgians, won the following prizes: 1st, Light Draft Team; 2nd, Heavy Draft Team; 2nd, Four Horse Hitch; 2nd, Six Horse Hitch; 1st, Agriculture Mare or Gelding; 2nd, Draft Mare or Gelding; 3rd, Cart Class; 2nd, Registered Class on Halter; 2nd, Champion Six Horse Hitch; 2nd, Champion Team.

Bob and Judy Robinson of Lindsay very ably assisted Keith with his exhibits. Gail and Beth Hobden also helped their father with various tasks.

Dr. Lester, veterinarian from Lindsay, provided valuable aid and

care to any ailments of the animals in the caravan, and could be seen exercising horses and helping all exhibitors with any task at hand. He also acted as spokesman or chairman of the group. His son John, 10, also actively assisted exhibitors and appears to be a promising upcoming showman.

Alvin Mark of Cameron travelled along and assisted S. G. Nesbitt with exhibiting. Mrs. Mark and Mrs. Lester kept the coffee pot hot and full, which was no small task.

Other visitors to the caravan at the fair were the Sheldon Walkers of Sharon, Ontario and also Gerry and Dorothy Glayier of Ingersoll.

The caravan group greatly appreciated the warm reception accorded them by Mr. Turner and other Brandon Fair officials.

Rain, Rain And Someone To Blame

It seems as though the blame is upon our Reeve and Council members as the writeup in last week's edition of the Echo, the voice of someone who saw places in the road that was not in the condition as they should be owing to so much rain, and wondered why the new Road Commissioner had not looked after such as it is the responsibility of the Township to see that all bad spots are taken care of. Here is the reason why. We have in the neighbourhood of a hundred miles and that hundred miles has had its share of problems this season of rain. Also it is the most rain to hit our country for many years and it has been a responsibility that has been hard to cope with, and we can say that our gravel trucks have worked long hours to enable the roads to be passable. If one would only get in touch with the Road Foreman, who has a phone, or the Council members and report such things instead of putting the blame on any one person, it would be doing much more good in helping such conditions as they say did exist.

Give due respects where they are needed, and we can only say one thing, that our county roads have always had their share of work on them, and conditions in the past have been most satisfactory. So give the men who are responsible for such work a chance to get around. It takes time, so be patient, and if there is a place in front of your driveway take a shovel. It will give you a good appetite.

WEST GUILFORD PERSONALS

It seems that some of our local boys and children from camps are not aware that the beach on Pine Lake, which is clearly marked by buoys and rafts, is for swimming lessons only during the day. It would be appreciated by our instructor and assistant if anyone wishing to swim would stay off the rafts and outside the buoys while these lessons are in progress.

Tom Barry of Vancouver, who

is only 12, flew to Toronto and is visiting places of interest in Toronto, Niagara and our own village with Mr. and Mrs. Jack Barry.

Miss Jean Boice is a patient in the Sick Children's Hospital in Toronto.

A speedy recovery is wished Mrs. Margaret Horsley who is not well at her home. The flu bug seems to be making its annual rounds.

One of the finest collections of Canadian currency in existence is on display during Expo 67 at the Main Branch of Canadian Imperial Bank of Commerce in Montreal. It is part of the Bank's own collection of coins and notes which traces the development of Canadian currency since pre-Confederation days. It includes many collectors' items, and is being viewed above by two hostesses from the Expo 67 branch, Donna Kennedy (left) and Alice Archambault. Free-standing showcases allow visitors to inspect closely the colourful bills that have been issued by Canadian banks. Many of the bills with a face value of only one, five or 10 dollars, have a value to collectors of several hundred dollars. Showing of the collection coincides with the 100th anniversary of Canadian Imperial Bank of Commerce. It features examples of currency issued by the 14 banks that have combined to form the Commerce, including The Canadian Bank of Commerce and The Imperial Bank of Canada. The display of bills (left) issued by the Eastern Townships Bank in the mid-1800s is an eyecatcher for collectors, while the currency issued by Canadian banks in the early 1900s attracts the most attention because of its colour and variety.

Brown Paws and Green Thumbs, one of our new books, is sure to please those who have an affection for animal friends. The author, Carol Pearson, has a remarkable gift of interpreting the motivations of her four-footed acquaintances. She has written a fascinating story of the wild and the tame creatures that have been part of her household. The fact that most of these stories occurred in the vicinity of Toronto and north to Kinmount adds interest for our local readers. Written in simple style the book is intriguing to both adults and children.

GREAT — JUST GREAT

I think probably the most difficult relationship to maintain, at any reasonable level, is that between teenage children and their parents.

Marriage is tough enough, as you all know. But at least the partners, in most cases, are prepared to bend a little, to give an inch, or even two if necessary, to compromise when there's no other way out.

Married people do communicate, even though the form ranges from grunts and sighs to language that would sear the earlobes of a saint. They're usually from the same generation and, at worst, can spend hours running down the government, the boss, the neighbours, or each other's families.

I know couples, including us, who have been amicably bickering for anything from two to six decades. It becomes almost a game, in which you know every play or gambit of the opponent. (A play is when she has you dead to rights. A gambit is when you just might get away with the story.)

But with teenagers, you're fighting a losing battle. First of all, there is the language barrier. Theoretically, you're both speaking the same tongue, but when it comes to interpretation, there's no relation whatever.

You say, "Now, I want you home at midnight, right on the dot." This, to the teen, gyrating in that weird, trance-like state they call dancing, means, "Well, I don't have to leave until midnight." A scene ensues.

And at scenes, you haven't a look-in. You're all set to raise hell. Hackles are properly erect. And five minutes after the kid gets in, you're on the defensive, trying to prove that you're not "an old grump," or completely irrational, or "the strictest parent in town," or an out-and-out liar who said twelve o'clock was the deadline for leaving the dance, not for being home.

Teenagers are like women. You can't discuss anything with them, in a logical way. You are completely baffled by a series of irrelevances, nonsequiturs and such things as, "You don't trust

me. That's what's wrong with you. You don't trust me!" And they're right.

It's sad to see a family breaking up. I suppose it's inevitable and right. But it's sad. Ours is. We had a swim the other day, the four of us. As we were leaving the beach, I said to the old girl, "Do you realize that's probably the last time we'll all have a swim together?" She agreed.

Kids don't want to go swimming with their parents. They want to lurch around with their own age group. They used to practically destroy me; when they were little, making me play with them when we went swimming. Duck dives, underwater endurance tests, races. And now it's transistor radios, squabbling and cheeky remarks for which there is no real answer except a swat on the ear. And you can't do that, or they'll run off and start smoking pot.

Enjoy them when they're little. You can blow on their bellies, kiss their little soft bums, rock them when they're sick, and tell bedtime stories till you're blue in the face. There's communication then.

But don't expect too much when they get past 13. For the next six years, it will be sun and showers, cold fronts moving in, a lot of low pressure areas, with the occasional high, and such suggestions as I've heard recently: "Dad's just not with it. He's out to lunch."

It's nothing new, of course. When I recall how utterly selfish I was as a youth, how little I cared about my parents' hopes and fears, I understand. It's been going on since Cain clobbered Abel and broke up that nice little family group.

It's a time of life when the whole earth revolves around ME, and parents are merely another awkward, sometimes obnoxious circumstance that is preventing ME from being what I want to be and becoming whatever I will be.

Oh, well, there's an excellent invention called grandchildren. I can hardly wait to get at spoiling mine rotten so that their parents will be totally unable to cope with them.

N.B.: Winner of guest column announced next week for sure. Isn't it exciting?

Some 200 ratepayers met in the C.E. Building on Saturday afternoon to discuss the tax situation.

The Prentice family held their annual re-union in the C.E. Building on Sunday. The choir catered to them for their noon luncheon, and after spending the afternoon at the lake they returned for the evening meal.

Miss Lynn Barnhart is spending a holiday in Dwight.

Mr. and Mrs. Bert Harrison motored to Hartley on Sunday and attended a Centennial Service there and met a number of their neighbours from former days. They then visited Mrs. Harrison's sister in Cannington.

The evening service at Twelve Mile Church was well attended as so many enjoy singing the old hymns.

A very delightful time was had at Sherwood Forest Lodge on Friday of last week when a luncheon was given in honour of Mrs. Helen Monckton who is here from Africa to visit her sister, Jean Irwin. Another guest was Edith Donnelley from New Jersey who is a friend of Dorothy Thomson. Hostesses for the occasion were Muriel Brown, Dorothy Thomson and Jean Irwin. Forty-seven ladies were in attendance and enjoyed the delicious lunch.

A very attractive walk has been laid to the entrance of the C.E. Building.

Miss June Harrison of Trenton is spending several weeks with her parents, Mr. and Mrs. Bert Harrison.

Mrs. Gilbert Windsor was a guest of Miss Kaufman of Haliburton at a luncheon at Hart Lodge last week. Rev. and Mrs. Petrie also called in to see Mrs. Windsor.

Zion United Church, Carnarvon Scene Of Archer - Dudley Wedding

ARCHER — DUDLEY

The marriage of Janice Mena Dudley of Myrtleford, Australia to Clifford Thomas James Archer of R.R. 2, Minden was celebrated on Saturday, June 24, 1967 at three o'clock in the afternoon.

This very pretty wedding took place at Zion United Church, Carnarvon, with Rev. Jim Cargo officiating.

The bride, given in marriage by a friend of the Archer family, Mr. Alf Wills, entered the church to the strains of music, "The Church's One Foundation" and "The Wedding March", played by Mrs. Robert Gorrie. Pink and white peonies decorated the church beautifully.

The bride looked lovely in a long gown of white silk with inverted pleat Empire-line, with scooped neckline, long sleeves and a long lace trimmed train. The frothy veil was held in place by a white organdie pearl tipped spray of leaves. The flowers carried were two delicate topiaries of yellow and white daisies.

A friend of the bride, the Matron of Honour, Mrs. Iris Weiss wore a long linen gown - emerald green sleeveless top with scooped neckline, and white skirt polka-dotted in emerald green. She carried one topiary of white daisies and wore daisies in her hair.

Miss Mary Mosbough, also a friend of the bride, sang beautifully in a rich clear voice, "The Lord is my Shepherd" during the signing of the Register.

Mr. Don Archer, brother of the groom, was Best Man, and Gary Archer, the youngest brother, was Usher.

Mrs. Stanley Archer, wearing a turquoise blue ensemble with matching accessories and corsage of pink carnations, and Mr. Stanley Archer headed the receiving

line for 60 guests at the reception held at Matabanick Inn, home of the groom.

Mr. Michael Weiss, a friend of the groom, was Master of Ceremonies.

When the newlyweds left for a honeymoon at Expo '67, Montreal the bride was wearing a pant suit of pink and purple silk, matching purple shoes, and purple bow in her hair. They returned to Matabanick Inn for another week before taking up residence in Toronto.

WILBERFORCE

The Reverend A. Dowdell and Mrs. Dowdell are spending three week's holidays on Otter Lake. Mr. Dowdell is officiating at the wedding next Saturday at Essonville Church.

The United Church Ladies held a Bake and Work Sale on Saturday last, July 15, outside the residence of Mr. and Mrs. Charles Bowen in the village. Among those assisting, we saw Mrs. Ethel Saunders, Mrs. Joan Sanderson, Mrs. Ruth Saunders, Mrs. Smith and several others.

Mr. and Mrs. Dunford, Clayton, Barry, Douglas McCrea and Mr. and Mrs. Norman Forbes of Peterborough held a picnic at Otter Lake on Sunday last. While the weather was not perfect, at least the rain kept off for this family event.

We were at the Haliburton Arena on Friday last watching the children training for future stars in the National Hockey League, and had the pleasure of meeting Bernie Parent who was with Boston last year, and has been transferred to Philadelphia in the expanded National Hockey League.

Good Regulation

The new boating regulation introduced by the Ontario Water Resources Commission displays a certain amount of courage on the part of the O.W.R.C., since it directs those with larger craft to make sure that no effluent or garbage is placed in Ontario's waterways.

The way of preventing this is with expensive equipment, and so the O.W.R.C. is unlikely to win a popularity award from those who own the larger, more luxurious power or sailing craft.

However, there are countless cottagers who will be prepared to present a golden cup to the Commission for its actions. And one trusts that Ontario children, who should have a God-given right to inherit the clean water their forebears found here, will present a garland of violets picked from a clean and tidy woodland to the Chairman of the O.W.R.C. and the minister charged with the responsibility of enforcing the new edict.

No one will deny that this is government service that has the well-being of the people in mind.

Truck Rolls

Damage estimated at \$250 resulted recently when a half-ton truck driven by Arnold Wright, 39, of Oshawa went out of control on Highway 503 at Furnace Falls and rolled.

Police said the right front tire of the truck blew out.

Police said Wright suffered strained neck and back injuries. He was treated and released from Minden Red Cross Hospital.

Minden O.P.P. Constable Allan Brooks investigated.

OBITUARY

ALBERT EDWARD ALLEN

A well known and highly respected citizen of this area in the person of Albert Edward Allen passed away suddenly at his late home on Highway 121 on the evening of Thursday, July 6, 1967.

The deceased was the beloved husband of Ena Burns, and was born at Rockcroft, Ontario on January 20, 1909.

Edward Allen was a likeable honest workman; this can be attested by the many cottagers in the area in which he lived. These people depended on him for the care and upkeep of their summer homes, and keenly feel the loss of a true friend and neighbour who contributed much in making the Highlands a better place to spend their vacation.

Those who survive besides his

GOODERHAM U.C.W.

The July meeting of the U.C.W. was held at the summer home of Mrs. Stuart James. The meeting was opened with a Call to Worship and prayer by the President, Mrs. Barr, followed by the singing of favourite hymns.

Mrs. James read the Bible Reading, Matthew 5: 17-24. The Meditation on Reconciliation was taken by Mrs. D. Pickens. The Roll Call was answered with a Bible verse containing the word "reconciliation".

We are sorry that the Secre-

tary, Mrs. Lorne Hunter, of Sick and Visiting Committee was not present due to illness.

A very interesting Bible Study period was conducted by Mr. McAllister. At the close of the business session the meeting was closed with prayer by Mr. McAllister.

It was very gratifying to have a good number of summer guests at the meeting.

A very pleasant time was spent over the teasups, and a delicious lunch was served by the hostess, Mrs. James.

A very successful Strawberry Supper was held at the Gooderham United Church on Friday, July 7.

During the course of the evening a very pleasant little ceremony took place in honour of Mrs. Helen Gunn, in appreciation for years of faithful service as

Clerk-Treasurer of Glamorgan Township. Mrs. Pickens read a message of thanks and appreciation as a representative of the Council. Mrs. Gunn has served from 1950 to 1967. Mrs. Bates, the present Clerk and Treasurer, presented Mrs. Gunn with a beautiful silver tray. Mrs. Gunn, although completely taken by surprise, expressed her pleasure and thanks in a very touching manner, saying she would treasure the tray always.

Home for the weekend were Mr. Paul Hunter and Sharon Hunter of Toronto, Mr. John Hunter, also of Toronto, and Miss Christena Pickens of Whitby.

Guest Editorial

One of the pastimes of these days appears to be a carping criticism of the Township officials re the serious increase in our local taxes.

I am as concerned as anyone with this position, but the local authorities have very little control over the actual tax levy.

From years of experience and as I see it, the council are pretty well in a straight-jacket. Education costs must be met and they will increase, but the time is past, in my thinking at least, when the entire costs are on real estate, directly or indirectly.

The cry from industry for qualified personnel will continue and the demand seems to exceed the supply. Many of our larger firms are setting aside considerable sums as bursaries for worthy students, which is all to the good.

After a hard look at the requirements for education, council members are very loath to enter into any commitments for other worthy causes. In this County a considerable amount should be expended on small picnic area developments, maintenance, etc. This is a field where a real service would be rendered the travelling public, yet very little has been done in this regard.

The chief concern of the higher powers appear to be the discovery of some new tax source until every available avenue is explored. A balanced budget from the top down, with a closer scrutiny of all expenditures, may again establish some confidence in our ruling bodies, but these matters to a great extent are with the Provincial and Federal authorities and there seems no move for economy there.

In the meantime taxes will be with us, in increasing forms, to cover the many services that we enjoy.

Clayton P. Rogers.
